

For Immediate Release

Reach Higher Montana and Level All Partner to make Career and College Readiness Resources Free for All Students in the State of Montana

September 3, 2024

Reach Higher Montana is excited to announce our partnership with [Level All](#)—the fastest-growing college and career readiness platform aiming to **Level** the playing field for **All**. Click [here](#) for a brief introduction to Level All and our partnership.

For students and families, Level All provides a continuously updated hub of expert tools, content, and resources that help students discover a postsecondary path that will launch them into the life of their dreams.

For educators and organizations, Level All provides a customized dashboard, lesson plans, presentations, and other resources to maximize your impact and allow you to focus on what you do best—supporting students and families.

Level All's content library covers everything students, families, and educators need to know about the topics that matter most:

- Success in High School
- Navigating the College Application Process
- Affording College
- College Alternatives
- Career Exploration and Development
- Financial Literacy
- Life Skills
- And so much more!

The Level All platform is now **entirely free** for the state of Montana. Students and families can make their free account by navigating to ReachHigherMontana.org and clicking the “Get Started” button under the “Level All” module. If you are interested in learning more, email info@reachhighermontana.org or contact the Outreach Advisor in your area.

About Reach Higher Montana:

Reach Higher Montana is a nonprofit organization dedicated to helping students achieve personal success in education, career, and life. Through a variety of programs and initiatives, Reach Higher Montana provides resources, support, and scholarships to students across the state. The organization is committed to ensuring all Montana students have access to the education and opportunities they need to succeed in today's world.
