

FOR IMMEDIATE RELEASE

The Montana Work-Based Learning Collaborative and Reach Higher Montana Welcome New Hires

Helena, January 9th, 2024 – The Montana Work-Based Learning Collaborative and Reach Higher Montana are excited to announce two key additions to their team: Gabrielle Eklund-Rowley and Ian Beagles.

Gabrielle Eklund-Rowley is the WBL Collaborative Director and brings valuable experience in workforce development, while *Ian Beagles* will join as the WBL Collaborative Data Analyst. Both are committed to fostering connections between students and industry.

The Montana Work-Based Learning Collaborative plays a crucial role in connecting students with hands-on experiences. With these new hires, the Collaborative is poised to expand its impact on work-based learning initiatives.
